

WAEPA Referral Rewards Program

Rules

4/9/2020

How the Program Works

To earn rewards for referring family, friends and colleagues who are active civilian federal employees to visit WAEPA, all you need to do is validate you are an active WAEPA member by providing your name, last name, a valid email address, your birthdate, and accepting the program's Terms & Conditions.

You can then start referring them to WAEPA using the tools provided on WAEPA's referral site. After you provide a minimum of three referrals you will be qualified for a referral reward.
