It gives you the ability to access up to 50% of your life insurance benefits, if you become permanently chronically ill\*. Chronic Illness benefits cannot be more than 50% of the Member's life insurance.*

*The Chronic Illness Rider is available to current policyholders, new members and spouses up to age 65 with acceleration benefits available to age 80. Premiums automatically increase when the Member enters a new age bracket every 5 years.*

**Note:**

- Premiums automatically increase when you enter a new age group.

Age restrictions will also apply.

Premium rates are as of 1/1/2022. For more details on rates, minimums, maximums or decreasing coverage limits, visit [waepa.org](http://waepa.org).

### **Important information for the Chronic Illness Rider:**

**This is a life insurance benefit that also gives you the option to accelerate some of the death benefit in the event that you are certified with a chronic illness as described in the certificate.**

IMPORTANT NOTICE: This rider is not intended to be a federally tax-qualified long-term care insurance contract under Internal Revenue Code (IRC) Section 7702B. Therefore, the premiums payable for this rider do not qualify as long-term care insurance premiums and are not deductible from gross income for federal income tax purposes. This rider, however, is subject to the federal per diem limits set forth in IRC Section 7702B. Under this rider, New York Life will not pay claimants more than the federal per diem limits. Assuming the amount you receive in the aggregate from all applicable policies does not exceed the federal per diem limits set forth in IRC Section 7702B, the benefits provided by the Chronic Illness Rider are intended to be excludable from federal gross income under Section 101 (g) of the IRC.

Receipt of an accelerated death benefit may affect eligibility for Medicaid or other government benefits or entitlements and may have income tax consequences. Accelerating benefits before applying for these programs, or while you are receiving government benefits, may affect your initial or continued eligibility. Clients can contact the appropriate social service agency (e.g., the Medicaid Unit of your local Department of Public Welfare or the Social Security Administration Office) for more information.

CIR might not be available in all states.
