

SUMMER 2022 QUARTERLY REPORT

A Message From Our CEO

I hope everyone is having a happy and healthy summer. As Civilian Federal Employees, your dedication and commitment to public service continues to make this country a better place, so you all deserve some well-earned time off. Whether you are re-connecting with friends or vacationing with family, I wish you the best.

I am excited to announce that WAEPA's 2022 Federal Summit and Annual Member meeting will take place on Thursday, October 20th at the Ronald Reagan Building and International Trade Center in Washington, DC. You will have a chance to meet our senior leadership, learn valuable lessons from a panel of Federal Benefit Experts, and listen to a dynamic presentation from our truly remarkable keynote speaker.

It's been almost three years since this event was last held in-person, and we all know how much has changed since then. Although there is no going back to the way things used to be, I want you to know that WAEPA will be there for you as we move forward. Our mission will always be to support the health, welfare, and financial well-being our members. It was true when we were founded almost 80 years ago, and it's true today.

I look forward to seeing you all in October!
