

SPRING 2023 EDITION

A Message From Our CEO

Hello all,

Spring is here, a time that I look forward to every year. It's been a great season so far at WAEPA. This upcoming month, we have two things to celebrate. First, the founding of WAEPA in May 1943, 80 years ago. Additionally, **Public Service Recognition Week** is recognized annually at the beginning of May.

I want to take this time to reiterate how inspired I am by your commitment to Federal service. The entire WAEPA team is dedicated to the well-being of you and your family.

Thank you for your continued membership,

M. Shane Canfield
CEO of WAEPA

WAEPA REWIND : WAEPA's Mission Begins

In May 1943, War Agencies Employees Protective Association (WAEPA) was created to provide life insurance for civilian federal employees serving in war zones during World War II. White House economist, Lauchlin Currie served as WAEPA's first president.

A lot has changed in the last 80 years. Our commitment to you has not.
