

Member Referral Rewards Program Rules

How the Program Works

As a WAEPA member, you have the opportunity to earn rewards for referring other current or former Civilian Federal Employees.

All you need to do is validate that you are an active WAEPA member by providing your first and last name, a valid email address, your date of birth, and accepting the program's Terms & Conditions.

Refer your friends, family, and colleagues quickly and easily online. After you've provided a minimum of three referrals, we will email you a \$20 Reward Visa®.
